I Wish They Would Come in for Tea

(making friends with birds)

I wish they would come in for tea

THEN GO ON A WALK

I wish they would sing with me

LOUDLY

I wish we could make snow angels together

AND A SNOWMAN

I wish they would go sledding

ICE SKATING TOO

I wish they would go home with me

FOR DINNER

I wish they would read bedtime stories

AND TUCK ME IN

Most of all

I wish they would take me flying

WAY UP HIGH
